

HEAR MY SONG

FOR REBECCA

MUSIC & LYRICS BY DOM JONES

VERSE

They cast me out
They shot me down
Only saw me through
Through inhuman eyes
I fell apart
My fragile heart
Could only feel
Dehumanized

I thought I'd lie
Under the sun
I'd turn to dust
And blow away
I found my pride
I found my life
Is so much more
Than they could see

CHORUS (2x)

Can you hear my song?
Can you hear my song?
It's so far from where I started from

VERSE

Held out my hand
To help me stand
To help me find
My humanity
I looked within
Would fury win?
Could I forgive
All the tragedy?

Rewrote my story
Turned it to glory
Now I know
And I believe
I found my sound
I sing out loud

It's so much more
Than I ever dreamed

CHORUS (4x)

Can you hear my song?
Can you hear my song?
It's so far from where I started from
