

## **PERFECT RECIPE**

FOR MARY

MUSIC & LYRICS BY JENNI RUDOLPH

### **VERSE**

Mary's a can-do kind of woman  
When she's put through hell, she puts herself  
to work  
Life has given her troubles by the dozen  
But even the green pastures are grown from  
the dirt

Salt, sugar, oil and flour  
Cookin' it up on the open fire  
Who could have guessed  
She'd be an overnight success, oh

### **CHORUS**

Mary!  
Mary!  
Mary's future tastes so sweet!  
She got passion!  
She got purpose!  
And that's the perfect recipe

### **VERSE**

Mary's got four children and her father  
She's so giving with her time and energy  
But nothing in this world could ever stop her  
From investing in her vision  
When she's destined to succeed

Big dreams into big plans  
Designing her own life by hand  
Who could have guessed  
That she'd be free to start fresh, oh

### **CHORUS**

Mary!  
Mary!  
Mary's future tastes so sweet!  
She got passion!  
She got purpose!  
And that's the perfect recipe

### **BRIDGE**

They say happiness won't grow overnight  
(She can't do it, no, no)  
She's baking up her daydreams into a better  
life  
(Watch her grow)  
Her secret ingredient's believing in her  
courage and her drive  
Now it's time to take a bite, whoa

### **CHORUS**

Mary!  
Mary!  
Mary's future tastes so sweet!  
She got passion!  
She got purpose!  
And that's the perfect recipe  
And that's the perfect recipe
