FOR NANCY NOEL

MUSIC BY EMILY HALL

LYRICS BY JACQUELINE SUSKIN

The spirit lives in contrast
Designs its quest of questions
Requires compassion to unfurl
Freely, freely, freely

The earth gives her love
With ease so we stand before
A wave of forgiveness
To wash into willingness

By and by is an exchange
Our gifts unleash experience
Nature as a mirror
Nurturing, nurturing freely

The earth gives her love
With ease so we stand before
A wave of forgiveness
To wash into willingness
