

HEAVEN REWARDS THE DILIGENT

FOR HUI RUOQI

MUSIC BY HYEYOUNG KIM
LYRICS BY LIANA STILLMAN

Take the path less traveled
Through life's twists and turns
When it's dark you will find a light
If you follow where it burns
Heaven rewards the diligent
Go the extra mile
when others would slow down
You'll discover a new horizon
So take a look around
Heaven rewards the diligent

The road may be winding
With no end in sight
You may be wanting
To give up the fight
But if you keep on going on
And if you persevere
You'll make it through the night

Sail the deep blue oceans
If you make it through the storm
Like a phoenix from the ash
You will be transformed

Heaven
Oh, heaven rewards the diligent
Heaven
Oh, heaven rewards the diligent
