

## **WHAT GREATNESS IS POSSIBLE**

FOR JENNI BOELKENS

MUSIC BY SARAH ELIZABETH CHARLES  
LYRICS BY JACQUELINE SUSKIN

### **VERSE**

To see outside the realm of comfort  
And connect to inner vision  
When we say yes to westward motion  
We stand before our dreams  
And carry them into reality

### **CHORUS (2x)**

What greatness is possible  
What greatness is possible  
What greatness is possible  
What greatness is possible

### **VERSE**

Willing we depend on chance  
We deepen our belief in  
Creative capacity  
And invent the difference  
That is deeply needed

### **CHORUS (2x)**

What greatness is possible (4x)

### **BRIDGE**

Our release of all that doesn't serve the  
whole  
Our creation of what does  
Our release of all that doesn't serve the  
whole  
Our creation of what does

Carry them into reality  
Carry them into reality  
Carry them into reality  
Carry them into reality

### **CHORUS (2x)**

What greatness is possible (4x)
